CHILDCARE

Licensed with the Pennsylvania Department of Human Services and Education

Proud Keystone Stars Participant providing high quality childcare and partner with United Way of Bucks County.

We believe the values and skills learned here early in life are vital building blocks for a healthy, high quality life. At the Y, we teach children skills to grow into confident individuals who make smart life choices.

We are an equal opportunity care provider and offer financial assistance for those who qualify. If your family would like to apply, please fill out a financial assistance application available at the Welcome Center or on our website at www.ubymca.org. For rates or to schedule a tour, please contact Carlie Bearn, Childcare Director at 215-536-YMCA (9622) ext. 130 or cbearn@ymcabucks.org.

We will be open on schools' in-service days and holidays except New Year's Day, Memorial Day, Labor Day, Thanksgiving, and Christmas. We will also be closed for two teacher in-service days (in February and June). The childcare programs run the length of the Quakertown Community School District school year. Traditional Summer Camp supplements the year, and requires separate registration. There is no additional fee for your child who is already enrolled in our childcare program to attend a full day if schools are closed and we are open. Full payments are expected even if your child does not attend. When Y childcare is closed for a holiday or snow day, your childcare weekly fee will not be pro-rated. Daily clients may not substitute another day for a holiday closing.

SPECIAL ACTIVITIES: Weekly Swimming and Lesson (Pre-K & Kindergarten), Weekly Swimming (After Care), Weekly Gym time (Pre-K, Kindergarten, Before & After Care), and Weekly Music class (Pre-K).

SUBSIDIZED CARE is available: Please pick up a Financial Assistance application at our Welcome Center or visit www.ubymca.org. The Y is an ELRC provider through Early Learning Resource Center.

WHEN SCHOOLS ARE CLOSED: We will be open when schools are closed due to in-service days, holidays (some exceptions apply), and inclement weather (if the Y is open). Weekly fees will remain the same whether your child attend or not due to any reason.

MULTI-CHILD SAVINGS: Get 10% off for each additional child in the same family, when enrolling in any of our childcare programs. (Please be sure to fill out separate forms for each child). For rates and to schedule a tour, please contact Carlie Bearn, Childcare Director at 215-536-YMCA (9622) ext. 130 or cbearn@ymcabucks.org.

EMPOWERING YOUTH TO REACH THEIR POTENTIAL

FREE 7TH GRADE MEMBERSHIP

PURPOSE

The YMCA is pleased to offer seventh grade students free memberships to support and encourage youth to live healthy lifestyles and make responsible choices.

WHY 7TH GRADERS?

Research shows that seventh-grade is a critical time in a young person's life when exposure to risk factors greatly increases. Risk factors are conditions or influences that have been shown to increase the likelihood for unhealthy behaviors including substance abuse, delinquency, teen pregnancy, school drop-out and violence. It is also during the early teen years that youth begin to distance themselves from family and positive support systems.

The Y makes accessible the support and opportunities that empower these youth to reach their personal potential. We also provide youth with the knowledge, skills, character, and passion to be more active in the community as adults.

HOW TO JOIN

1. You must be present and bring a school ID, report card, and a parent or guardian to the YMCA
2. Parents complete required membership paperwork and sign form.
3. 7th grader may begin using membership right away.*

*Membership activates July 1 and runs through June 30. 7th Grade members for 2018-2019 must join by June 1, 2019.

WHAT DOES MEMBERSHIP INCLUDE?

Membership includes use of the Wellness Center, pool, gymnasium, rec. center, exercise classes, Teen Fusion & reduced program costs. *Please see our 7th Grade Initiative brochure for more guidelines and details. The brochure is available online at www.ubymca.org.

LEARN TO SWIM AT THE YMCA - LESSONS FOR ALL AGES AND ABILITIES

The YMCA of the USA Swimming Program is a progressive skill continuum that allows students to flow easily from one skill to the next, with clearly defined stages of progress along the way. Swimming is a life skill. Our swim lessons prepare swimmers of all ages to stay safe and have fun in the water, building strong swimmers and confident kids. Entry into any level does not imply automatic transfer to the next skill level for the following session. Each child will be encouraged to learn comfort in the water and swimming skills at their own pace. In order to ensure children are placed in the correct level, we offer free swim evaluations. Please call 215-536-9622 ext. 125 to schedule a time.
