

Clinician Profile

Amanda George, MSPT

Years of Clinical Experience: 24

Amanda George is an accomplished member of the clinical team with more than 24 years of rehabilitation expertise to her credit. She pursues clinical excellence with every patient encounter including general orthopedics to specializing in the treatment of the athletic population where she has significant knowledge in management of gymnastics injuries. As a ReVital specialist, Amanda is likewise proficient in the rehabilitation of cancer patients during and after cancer related treatment including surgery, chemotherapy and radiation. At the forefront of her practice, Amanda is passionate about returning each person back to their pre-injury level of function and is highly-skilled at helping patients achieve their goals.

Education and Certifications

- **Master of Physical Therapy**
Arcadia University - 1998
- **Bachelor of Science – Biology**
Arcadia University - 1996
- **ReVital Cancer Rehabilitation - Specialist**
- **Continuing Education – ReVital Certification Training; Strength After Breast Cancer**

Amanda's Vision... My vision as a physical therapist is to help patients improve their function and quality of life by creating individualized plans of care specific to their personal therapy goals and prior level of function and activity.
